Method Overview

The Bb Trumpet: Making Music Matter Beginning Band Method is divided into four units. Each unit focuses on a different aspect of playing the trumpet, and it includes a variety of activities and exercises to help students develop their skills.

* Unit 1: Getting Started * Unit 2: Basic Playing Techniques * Unit 3: Intermediate Playing Techniques * Unit 4: Advanced Playing Techniques

Each unit begins with a warm-up exercise to help students get their embouchure and fingers ready to play. The warm-up exercises are followed by a series of activities and exercises that focus on the specific skills that are being taught in that unit. The activities and exercises are varied and include things like playing scales, arpeggios, and melodies. They also include exercises that help students develop their rhythm, articulation, and dynamics.

The method also includes a number of duets and trios that students can play to practice their skills. The duets and trios are written in a variety of styles, and they are a great way for students to learn how to play with others.

Benefits of the Method

The Bb Trumpet: Making Music Matter Beginning Band Method has a number of benefits for beginning band students. These benefits include:

* It is a comprehensive and engaging method that is designed to help students develop their musical skills and knowledge. * It is written in a clear and concise style that is easy for students to understand. * It includes a variety of activities and exercises that are fun and educational. * It fosters a love of music in students.
