### Materials You'll Need

- Worsted weight yarn in various colors of your choice
- Crochet hook size H/5mm or I/5.5mm
- Yarn needle for weaving in ends
- Scissors

### Step-by-Step Instructions

1. **Create the Sole:** Start with a magic circle and crochet 8 single crochets (sc) into the circle. Join to form a ring and continue crocheting in the round.
2. **Increase the Size:** To increase the diameter of the sole, work 2 sc into each stitch around. Continue crocheting in the round until the circle reaches a circumference of about 6 inches for kids and 7 inches for adults.
3. **Shape the Toe:** Once the sole has reached the desired circumference, divide the stitches into 4 equal parts. Continue crocheting in the round, decreasing one stitch at the beginning of each part by crocheting 2 sc together. Repeat this decrease every other round until you have 12 stitches remaining.
4. **Form the Upper:** Chain 2 and turn your work to face the sole. Single crochet around the perimeter of the sole, joining to the first sc. Continue crocheting in the round, increasing one stitch at the beginning of each part by crocheting 2 sc into one stitch. Repeat this increase every 3rd or 4th round until the upper reaches a height of about 3 inches.
5. **Finish and Embellish:** Fasten off and weave in any loose ends. Decorate your slippers as desired with pompoms, tassels, or buttons to add a personal touch.

## Tips for Beginners
