2. Sew or glue the leaf to the pumpkin mitten, near the vine stem.

### **Assembly:**

1. Fold the pumpkin mitten in half, right sides together, and sew the sides closed, leaving an opening at the top for your fingers.
2. Sew the vine stem to the top center of the pumpkin mitten, where you left the opening.

### **Tips:**

- For a tighter fit, use a smaller crochet hook or a thinner yarn weight.
- If you're having trouble with the magic ring, you can start with a chain 4 and join the ends with a slip stitch to form a ring.
- Be sure to keep track of your stitches, as it's easy to lose count when working in the round.
- Don't be afraid to adjust the size or shape of the mittens to fit your hands perfectly.

- To give your mittens an extra touch of autumn flair, embroider a few decorative stitches around the edges.
