In "The Dream," Rogers reflects on the transformative power of motherhood:

***“Before I was your mother, I was a dreamer. I had dreams of writing poems that would change the world. But then you came along, And everything changed. My dreams became smaller, More manageable. I no longer wanted to change the world. I just wanted to keep you safe.”***

Throughout the collection, Rogers explores the intricate bond between mother and child. She writes about the challenges of letting go as her son grows up, the importance of forgiveness, and the lasting legacy of a mother's love.

### **The Significance of Family and Relationships**

Drafts By Mum also delves into the broader themes of family and relationships. Rogers' poems celebrate the love and support that we find within our families, as well as the challenges and complexities that can arise.

In "Family Tree," she writes about the resilience of her family through generations:

***“We are a family tree, With roots that reach deep into the earth.  
We have weathered storms and droughts, And still we stand.  
We are a family tree, With branches that reach up to the sky.  
We have grown and changed, But we are still connected.”***

Rogers also explores the challenges of relationships, both within families and beyond. She writes about the pain of heartbreak, the complexities of marriage, and the importance of forgiveness.

### **The Power of Everyday Moments**

While *Drafts By Mum* often deals with weighty themes, Rogers also finds beauty and meaning in the everyday moments of life. She writes about the simple joys of spending time with her family, the beauty of nature, and the importance of finding joy in the present moment.

In "The Little Things," she celebrates the small moments that make life worth living:

“

***“The little things, They're the ones that make life worth living.  
The smell of coffee in the morning, The sound of birds singing  
in the trees, The laughter of a child.”***

Rogers' poems remind us to appreciate the simple things in life, and to find joy in the everyday.

### **The Writing Process and the Role of Memory**

In addition to its poignant subject matter, *Drafts By Mum* is also notable for its unique writing process. Rogers wrote the poems in the collection over a number of years, often in the margins of her son's school drafts. This process gives the poems a sense of immediacy and authenticity.
