

Holly Homecoming: Botanical Seasons Novella One

Holly Homecoming is the first novella in a series of four novellas, each of which explores a different season through the lens of botanicals. In this novella, we follow Holly, a young woman who returns to her hometown for the holidays and finds herself drawn into a world of botanical magic and ancient traditions.

Holly has always loved plants, but she never realized how much they could mean to her until she comes home for the holidays. Her grandmother, a renowned herbalist, teaches her about the healing power of plants and the importance of respecting the natural world. Holly also learns about the ancient traditions of her hometown, which are deeply rooted in the botanical world.
