Plane

London is served by five major airports: Heathrow Airport (LHR), Gatwick Airport (LGW), Stansted Airport (STN), Luton Airport (LTN), and City Airport (LCY). Heathrow is the largest and busiest airport, and it is located about

25 miles west of central London. Gatwick is the second largest airport, and it is located about 30 miles south of central London. Stansted is the third largest airport, and it is located about 40 miles northeast of central London. Luton is the fourth largest airport, and it is located about 30 miles north of central London. City Airport is the smallest of the five airports, and it is located in the Docklands area of London.

There are several ways to get from the airport to central London. The Heathrow Express is a non-stop train that runs from Heathrow Airport to Paddington Station in about 15 minutes. The Gatwick Express is a non-stop train that runs from Gatwick Airport to Victoria Station in about 30 minutes. The Stansted Express is a non-stop train that runs from Stansted Airport to Liverpool Street Station in about 45 minutes. The Luton Airport Express is a bus service that runs from Luton Airport to Victoria Station in about 1 hour and 15 minutes. The City Airport DLR is a light rail service that runs from City Airport to Bank Station in about 20 minutes.

Train

London is well-connected to the rest of the UK by train. There are several train stations in central London, including Euston Station, King's Cross Station, Paddington Station, St Pancras Station, and Victoria Station.

There are several train companies that operate services to London, including Avanti West Coast, CrossCountry, East Midlands Railway, Great Northern, Great Western Railway, Heathrow Express, Hull Trains, LNER, Northern, Southeastern, South Western Railway, Thameslink, TransPennine Express, and Virgin Trains.

Ferry

There are several ferry services that operate to London, including DFDS Seaways, P&O Ferries, and Stena Line. DFDS Seaways operates a ferry service from Amsterdam to London. P&O Ferries operates a ferry service from Calais to London. Stena Line operates a ferry service from Cherbourg to London.

Getting Around London

London has an excellent public transport system that makes it easy to get around the city. The public transport system includes the Tube, the Overground, the DLR, the National Rail, and the buses.

Tube

The Tube is London's underground railway system. It is the oldest and most extensive underground railway system in the world. The Tube has 11 lines and 270 stations. The Tube is a fast and efficient way to get around London.

Overground
