

Titus Andronicus

Folger Shakespeare Library

Titus Andronicus is one of William Shakespeare's most controversial and violent plays. It was first performed in 1594 and tells the story of a Roman general who is tricked into killing his own children. The play is full of blood, gore, and revenge, and it has been criticized for its excessive violence. However, it is also a powerful and moving tragedy that explores the themes of justice, revenge, and the human condition.

The play begins with Titus Andronicus returning to Rome after a successful campaign against the Goths. He is greeted by his family, including his two sons, Lucius and Mutius, and his daughter, Lavinia. However, Titus's joy is short-lived, as he soon learns that his sons have been killed by the sons of the new emperor, Saturninus. Titus is enraged by the murder of his sons, and he vows revenge.

Titus's revenge is swift and brutal. He kills Saturninus's sons and bakes them into a pie, which he then serves to Saturninus and his wife, Tamora. Titus also mutilates Lavinia, cutting off her hands and tongue. The play ends with Titus being killed by Saturninus, and Lavinia being rescued by her brother, Lucius.

Titus Andronicus is a powerful and moving tragedy that explores the themes of justice, revenge, and the human condition. The play is full of blood, gore, and violence, but it is also a powerful exploration of the human psyche. The play asks difficult questions about the nature of justice and revenge, and it forces us to confront the dark side of human nature.

The Folger Shakespeare Library

The Folger Shakespeare Library is a research library in Washington, D.C., dedicated to the study of William Shakespeare and his works. The library was founded in 1932 by Henry Clay Folger, a wealthy businessman and collector of Shakespearean materials. The Folger Library houses the world's largest collection of Shakespeareana, including first editions of all of Shakespeare's plays and poems, as well as a wide range of other materials related to Shakespeare's life and work.

The Folger Library is a major center for Shakespearean scholarship, and it offers a variety of programs and services for scholars, students, and the general public. The library's collections are available to researchers from around the world, and the library also offers a variety of educational programs, including lectures, workshops, and exhibitions.

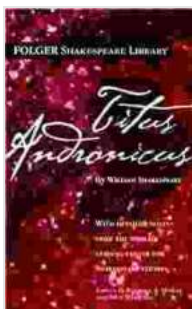

Titus Andronicus at the Folger Shakespeare Library
